

FORM OF COMPLETION CERTIFICATE

I/ We hereby certify that the installation detailed below has been installed by us , tested and in the best of our knowledge and belief in compliance with the Indian electricity rules,1956,as per IS:732-1963 code of practice for electrical wiring installation (system voltage not exceeding 650 volts) (Revised)

1.Electrical Installation at :
(NAME OF THE CINEMA)

2.Drawing approval letter No. (if any) :

3. Voltage system of supply : 3 phase, 50Hz, 415 Volts

4.Particulars of work: (Enclose Separate Sheets if necessary)

S.No.	Name of the Equipment	Make	S.No.	Voltage	Other Rating	Fed from

5.If the work involve installation
over head lines or underground
cable :

6. Testing of Installation : As per ISI

1.Test results

- I. Insulation resistance for
the whole installation :
II. Between each Conductor :
III. Between each conductor & earth :

2.Resistance of each earthing
electrodes if earthing system } :

3. Maximum earthing resistance } :
of installation
